01   How to use the Runners' map screen

1   Runners' map

The runners you added in Step **3** will appear on the map.
Toilets, water & food stations will also be shown on it.

2   Setting a cheering spot

You can set a cheering spot.
For further information, please see "setting a cheering spot".

3   Searching for a runner

You can search for the runner whom you are supporting and add him/her to the map. For further information, please see "Searching for a runner".

4   List of runners

The runners you added in Step **3** will be displayed in ranking by location.

Selecting a runner also allows you to obtain detailed information on him/her.
Alternatively, obtain runner's information by clicking the pin saying "Click here for more information on the map".
For further information, please see "How to Operate the Runners' Information Screen".
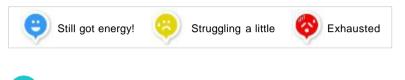

5   Cheer Messages

Cheer messages from supporters will be displayed.

02   Viewing the Runner's map

1

Runners' physical conditions will be displayed in terms of the following three states:

😊 Still got energy!	😞 Struggling a little	😣 Exhausted

2

Toilets, water & food stations and your choice of cheering spots can also be displayed.
Click the icon and each pin will appear on the map. Click again to make them disappear.

🚻 Toilet	🥤 Water & food station	🚩 Cheering spot that you set

03   Setting a cheering spot

Click here!

1

Click "Setting a cheering spot"

Select a cheering spot.

2

Select a cheering spot on the map.

When the pin turns orange, the setting has been completed.

3

When the pin turns orange, the setting has been completed.

04   Searching for a runner

1

Click Runners' map.

2

Click "Search".

3

Enter the runner's number (as shown on the number card) or the name in the search box to search for a runner.

* Please enter the name in roman letters or the runner's number as shown on the number's card and tap "Search".

* You can search ambiguously in the top match.

4

When runner is found, "Add" and "See detailed information" buttons will appear.

Please select either of the two, then close the screen.

* When you want to delete a runner you previously added, delete from the runners' information screen.

5

The runner you selected and added in Step **4** will then be displayed on the "Runners' map" and "List of runners".

05　How to Operate the Runners' Information Screen

1

After setting the cheering spot, the expected time of arrival for the runner you added at your selected cheering spot will be displayed. If you didn't set a cheering spot or the runner has already passed the spot, --: - will appear.

2

If you want to support this runner / cancel, you can do so via this screen.
You can add a runner on "Runners' map" and "List of runners" or delete the runner from the list.

3　Current location of the runner

You can identify the location of the runner.

4　Time data of the runner

The time data of the runner will be displayed.

5　Movie button

You can watch runners running on the movie.

6　Let's cheer on runners!

The cheer message posted in Step　will be displayed.
The messages will also be displayed as "Cheer Messages" on the home page.

7　A button to post your cheer message

You can post a message to the runner you added.

* If you check "Display your current cheering spot to the message screen", then your current location will be displayed as shown on the screen example **6** to the left.
(Your cheering spot won't be displayed on "Cheer Messages" on home page.)
