- Please refrain from wearing attire that violates public order and morals.
- Carrying items unnecessary for competition is not permitted.
- Costumes are prohibited for Japan Association of Athletics Federations (JAAF) registered athletes. Additionally, Block A is a high-performance block; costumes are prohibited for safety reasons regardless of registration status. Furthermore, clothing or behavior that causes discomfort to other athletes or spectators will not be permitted.
- Please arrive wearing your running attire whenever possible. Outerwear can be stored in collection boxes near the starting area. (Starting this event, we will collect all outerwear except ponchos.)

Runner manners

- If you have a fever or cold symptoms, please refrain from attending.
- It is strictly prohibited to relieve yourself anywhere other than in the restrooms. Relieving yourself in public areas without restrooms, including within Osaka Castle Park and near walking paths, is prohibited under the Minor Offenses Act.
- Please refrain from changing clothes in station buildings, restrooms, or facilities near venues not designated for this event.
- Please take your own trash home with you and refrain from littering.
- Smoking is prohibited on all streets throughout Osaka City. Smoking in Osaka Castle Park is also prohibited.
- Carefully review your changing area, gear check location, and route to your starting block beforehand. Assemble in your starting block well before the closing time.
- Please pay close attention to your surroundings when overtaking. In particular, avoid aggressive overtaking immediately after the start or just before the finish line, and never run outside the center cones in sections with oncoming traffic—these actions are extremely dangerous and must be avoided absolutely.
- Please refrain from spitting on the roads.
- Please use public transportation and cooperate by arriving from the recommended stations to help reduce congestion. There is no parking available at the venue. Please refrain from being dropped off by private vehicles, street parking, or parking at nearby stores, as this causes inconvenience.
- If an accident, fire, or other emergency occurs during the event, or if emergency vehicles or pedestrians require passage, please follow the instructions of event officials, police, and staff on the course.

◆Introduction of Tools Supporting the Day-of Event Schedule

To ensure all runners can smoothly proceed through the following steps on race day:

●Arrival → ●Changing Clothes → ●Gear Check→ ●Moving to the Start Position → ●Running →
●Finish → ●Post-finish actions.

In addition to “①Participation Guide” and “②Meeting place map & running course”, this event introduces two new features: “③START GUIDE” and “④CHAT SUPPORT”.

Their features are summarized below. Please use each tool as needed when you have questions or encounter difficulties.

①Participation Guide (This Booklet)

A comprehensive support booklet compiling essential information for participating runners.

◎Available as a PDF on the official website.

◎Please read thoroughly before the event date.

◎Internet connectivity may be poor at the venue on the event day. We recommend downloading it to your smartphone or printing necessary pages by the day before the race day.

<https://www.osaka-marathon.com/2026/runner/guidance/>

②Meeting place map & Running course (Printed Version)

A3-sized map printed and distributed at the EXPO (runner check-in)

◎Features the Start venue, Running Course, Daily schedule overview, Finish venue map, and more.

◎Either bring it with you on race day or download it to your smartphone or other device in advance.

Download the PDF data here

<https://www.osaka-marathon.com/2026/runner/guidance/>

③START GUIDE (Daily Flow Checking System)

A system that allows you to simulate your event day schedule

■Possible Start Date: February 13, 2026

< How to Use >

①First, open the “START GUIDE” screen on your smartphone or computer using the URL below or the QR code on the right.

<https://osaka-marathon.com/2026/today-schedule/>

②Follow the instructions to enter your start block, gender, and whether you are a charity runner. This will allow you to view the detailed flow of your day on the event day. Please make full use of this feature.

④CHAT SUPPORT (Chatbot Service)

A chatbot service that provides answers when you ask specific questions about what you want to know.

■Possible Start Date: February 2, 2026

< How to Use >

First, open the “CHAT SUPPORT” screen on your smartphone or computer using the URL below or the QR code on the right.

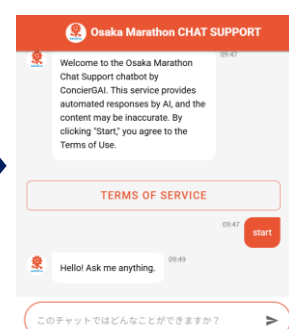

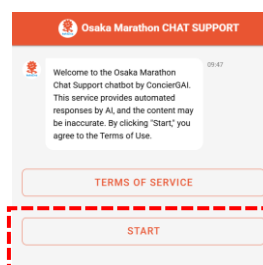

<https://kzn.chat/tpg/3984ef5262678f9def1f4bc6fc8ad6b8964b7893>

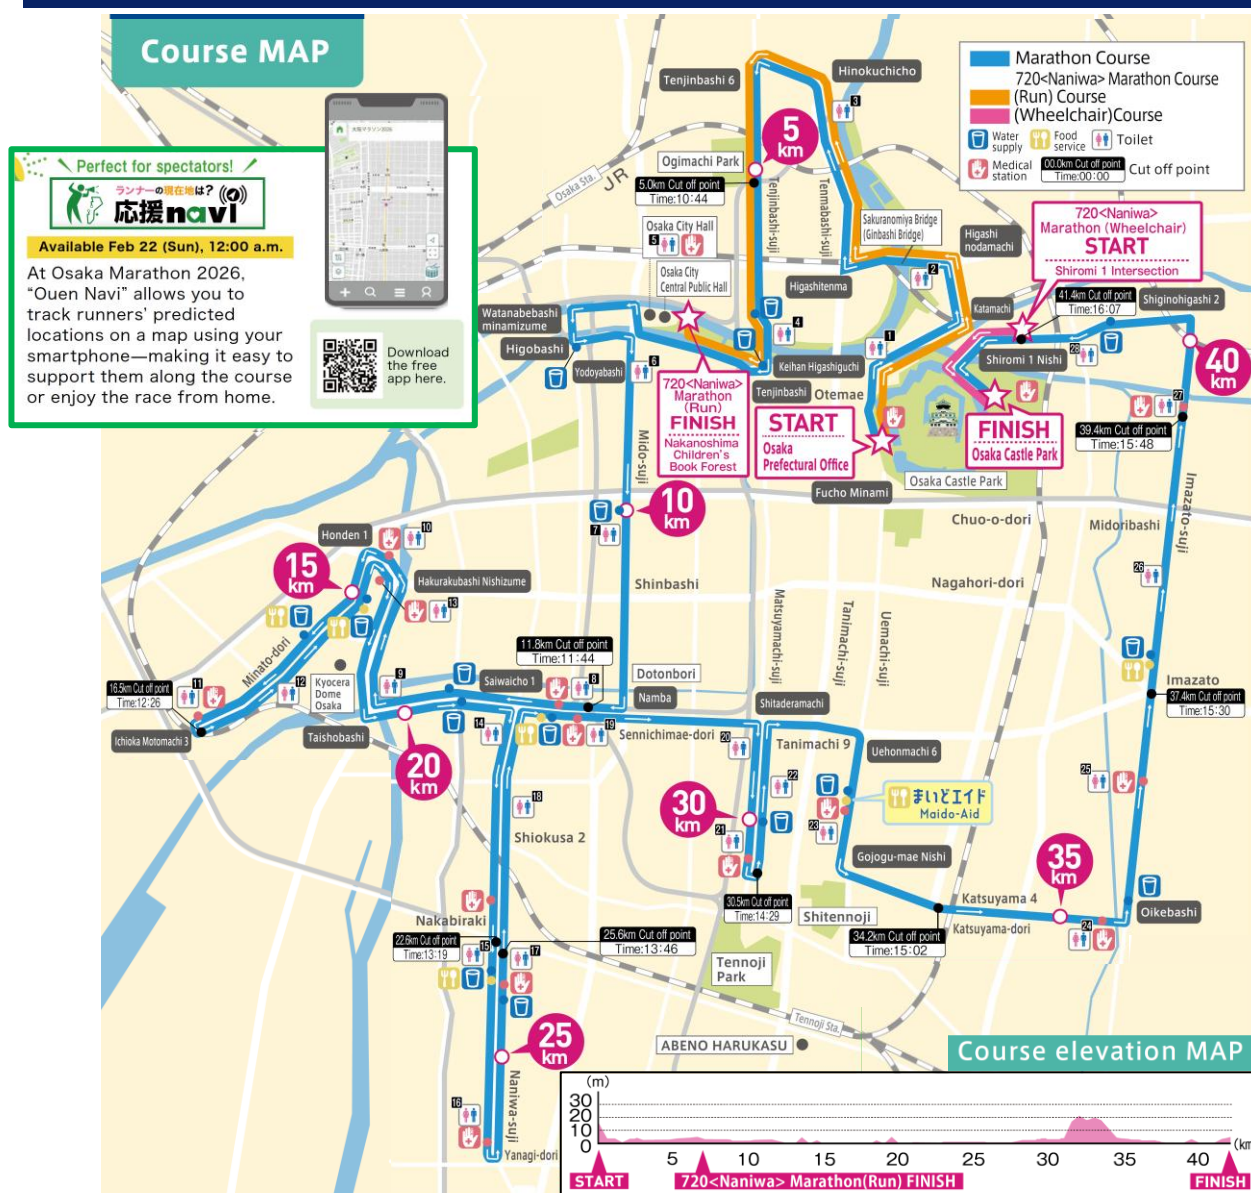

②Read the Terms of Use and click the Start button.

③The chatbot starts! Enter your question in the input box. The AI will respond.

⟨Follow doctor's directions during the race⟩

If you are told to stop running by a doctor, you should do so immediately.

If you are told that you have a health issue at the Medical Station or if you feel uncomfortable with your chest, please go to the hospital after the race for the sake of yourself and someone who cares about you.

⚠ Important Notes

Ⓢ Each medical station has doctors, nurses, and other personnel on standby. Operations prioritize emergency medical care, and only first aid will be provided for injuries sustained during competition. We cannot provide further treatment or assume responsibility beyond this. Please take all necessary precautions.

Ⓢ Home remedies (stomach medicine, cold medicine, compresses, etc.) and anti-inflammatory and analgesic sprays will not be provided.

Ⓢ A first aid vehicles will be deployed to transport injured or sick people to hospitals as necessary. AEDs will be placed along the course, and there will be mobile AED teams, fixed AED teams, and doctors, nurses, and paramedics who will run with the runners as medical runners.

◆Winter Clothing Collection & Recycling

To stay warm, please wear your outerwear when heading to the start area!

Starting this time, we'll be collecting all types of clothing for recycling at near the starting point. Please wear any unwanted outerwear to keep warm while you wait, and place it in the Recycle Clothing Bins. (Collected outerwear will be recycled and cannot be returned.)

This initiative is supported by our official sponsor, Mizuno Corporation.

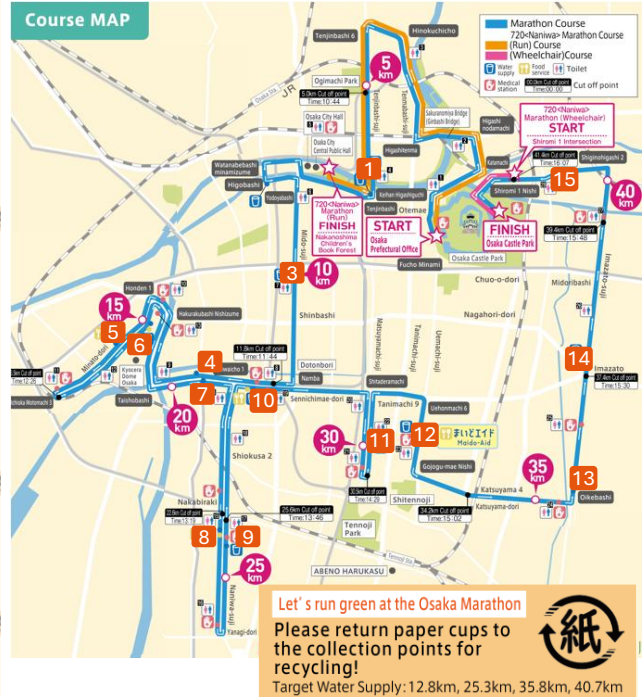

The Osaka Marathon supports the Sustainable Development Goals (SDGs).

⚠ Other Important Notes (during the race)

◎This tournament will be held in accordance with the latest World Athletics (WA) competition rules, the Japan Association of Athletics Federations (JAAF) competition rules 2025, and the rules of this competition. Since this tournament is a WA-certified Gold Label Race, WA Road Race Labeling Regulations will also apply.

◎Distance marks will be set up at 1km intervals between 1km and 42km, and at the halfway point. There will also be signs indicating the amount of km to go at 10km from the finish line and then every km starting at 5km from the finish line.

◎For safety reasons, when using earphones or similar devices, ensure you can clearly hear instructions from surrounding runners, emergency vehicles, officials, etc. Additionally, registered Japan Association of Athletics Federations (JAAF) athletes should note that using earphones or similar devices for external communication via smartphones, etc., may constitute "assistance."

◎Stopping or running backwards by the start/finish line or in the middle of the course to take photos or look for any person is prohibited as this may cause operational problems during the event. Please comply with the instructions given by race officials.

◎Runners are not allowed to overhang the colored cones on the center line of the course. Especially in the situation when running facing each other, please do not running overhang the colored cones to overtake the other runners in front of you as it is very dangerous.

◎Traffic regulations are in place on the course, but please be aware that there are places where runners may be facing or running alongside cars. And there are also some places where runners may run alongside the cars of the event. At each intersection on the course, under the discretion of the race officials, pedestrians and bicycles may be allowed to cross the course, please check ahead carefully.

◎If an emergency such as an accident or fire occurs during the race, emergency vehicles may pass through the course. In such cases, please follow the instructions of the race officials, police officers, and staff on the course and give priority to the passage of emergency vehicles.

◎If any natural disasters such as lightning strikes and so on and fire or any other incident on the sidelines are anticipated, the race may be suspended or cancelled under the instructions of the race officials.
